To whom it may concern

Good day. It's my pleasure to write this recommendation letter on behalf of Mr. Yassin Riyad, whom I have had the pleasure of mentoring during his internship in Halliburton, Basra Burjesia facilities. During his time with us, he showed strong commitment, willingness to learn, work and apply whatever engineering tasks were assigned.

He demonstrated strong academic and analytical abilities allowing him to develop his tasks on the required performance.

Based on my experiences with Yassin, I am confident that he will make an excellent addition to your company.

Please do not hesitate to contact me if you require any further information or clarification. I would be more than happy to provide additional insights into Mr. Yassin Riyad's qualifications and character.

Sincerely,

Jonnathan Tellez
